

Ain't No Hat 4 That

Robin Thicke

Ain't no hat 4 that Some say that your behavior is preposterous
You're just saying imagine if we friend
Dangerous through my pursuit of happiness
Trouble is 'bout to get me in the end You got your cure for anxious
You got your pill for bad
But your fancy shoes and handbag
Can't help you when you're sad
'Cause there ain't no hat for that
Ain't no hat 4 that
No ain't no hat 4 that
Ain't no hat 4 that Some say her temperament's a trap for us
She's only nice when something is at stake
And speaking for her friends there is a castuas
We paid the paparazzi, and that we know You got your cure for anxious
You got your pill for bad
But your fancy shoes and handbag
Can't help you when you're sad
'Cause there ain't no hat for that
Ain't no hat 4 that
No ain't no hat 4 that
Ain't no hat 4 that Shopping for your superficial treasures
Stopping short of offering your house
Stranger to the simplest of pleasure
Distance is to you a work of art You got your cure for anxious
You got your pill for bad
But your fancy shoes and handbag
Can't help you when you're sad
'Cause there ain't no hat for that
Ain't no hat 4 that
No ain't no hat 4 that
Ain't no hat 4 that You got your cure for anxious
You got your pill for bad
But your fancy shoes and handbag
Can't help you when you're sad
'Cause there ain't no hat for that
Ain't no hat 4 that
No ain't no hat 4 that
Ain't no hat 4 that You got your cure for anxious
You got your pill for bad

But your fancy shoes and handbag
Can't help you when you're sad
'Cause there ain't no hat for that
Ain't no hat 4 that
No ain't no hat 4 that
Ain't no hat 4 thatAin't no hat 4 that
Ain't no hat 4 that
There's ain't no hat 4 that
Ain't no hat 4 that
