Lovely

Lil Wayne

I love myself
I love what I am
I love who I is
I love Weezy
Lil" girl your man your damn kids love Weezy
You gotta love the nigga just because other nigga
And I don't love other niggaz
But I love other niggaz bitchesI love 20-inches on everything I sit in
I love my nappy hair
I love the shit I wear
You gotta love the squad-ad girl
If she ain't giving love to the whole squad-ad
Get outta hereYou people love the shit I pop in your ear
You gon love the shit I do to hip-hop this year
You gonna love when I bring it back to the block this year
I represent the Biggie and 'Pac era, you gotta love me
And I know ma love me just cuz I got a lot of money
But I love that girl too, but I love that girl too
I let y'all know me and I would love to know you
Now come onEverything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just love
Everything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just loveI know you probably love the bar, right
You love to live that big dog life
You love to live just like a young'n Weezy by here
And I love to see you do so
I love my Coupe blow on them deuce-o's
I love a cute ho and you probably love her all right, girl
He probably love you all your life I love you all night, girl
I love a all white pearlsSix with the two pipes barrel kit
I love to get it cracking in your girl lips
I love to sip from bill
I love to go hard purp-pill
You love that I'm a star and got that work still
Don't get it fucked because I love to work still

And you won't love how the hurt feel
How getting mirked feelAnd I love how getting hurt feel
I know you love I got some of it on your shirt ee-yew
I need to treat you
As a matter fact I love to cheat you
Don't call me cool
Hey, you love me and I love to love youEverything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just love
Everything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just loveI love fast cars
I love fast broads
I love fast money
I love cash money
I love a slow cigar
I love a slow menage
What you love blower hard
Let's get it cracking moneyI love to stack my money
You will love to jack my money
I love to clap-clap and black-black get back here honey
I love act a plumb-ass when I had a tall glass
And that bust your ass in one gulp
I love to shit talk
You love to hear me talking shit on this
When fresh dropping that nasty shitThat old uptown get down CMB classic shit
I like to ride around with a plastic fifth
I love to melt ya, I love them underground S-Q albums
Haters love to get you twisted
But I love the haters cuz haters just love twisted
Them bitches love Weezy
My bitch gon love me when I'm busy
With T-Rez fleece suit is Jayo nothing busy, squad upEverything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just love
Everything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just loveEverything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just love

Everything that I love in this world
Has gotta be the greatest thing in this world if I love it
'Cuz, I love this, I love that, I love y'all because
Everything in this world is just love
