My Awful Dream

The Muffs

My eyes are complaining
The one I see is you
Maybe if I poke them out
Then I won't be so blueI can hardly stand it
And maybe if I scream
Only when I'm slowly running
In my awful dreamBoy meets girl and often
They do not agree
But they go ahead and marry
who could be less freeI am not complaining
Me I'm just a freak
Only when I'm slowly running
In my awful dreamAnd when I wake up on the other side
I'll tell everyone
A secret cannot hide[solo]I am not complaining
And maybe if I screamOnly when I'm slowly running
In my awful dream [3x]
