

# My Awful Dream

## The Muffs

My eyes are complaining  
The one I see is you  
Maybe if I poke them out  
Then I won't be so blue I can hardly stand it  
And maybe if I scream  
Only when I'm slowly running  
In my awful dream Boy meets girl and often  
They do not agree  
But they go ahead and marry  
who could be less free I am not complaining  
Me I'm just a freak  
Only when I'm slowly running  
In my awful dream And when I wake up on the other side  
I'll tell everyone  
A secret cannot hide [solo] I am not complaining  
And maybe if I scream Only when I'm slowly running  
In my awful dream [3x]
