

On My Mind

Liam Bailey

I should have
I, I I, I wasted on you time
You didn't mean it
Stole what was mine
I didn't need it
Now all your dreams are gone
And you are the reason
You really got me wrong
You call it treason
And I am praying for you every day
Praying to rain
On my mind
Oh I I I
And its darkness in the rain
Praying to rain
On my mind
Now maybe you were right
I couldn't feel you
Trying to be so nice
You turn peculiar
Couldn't make the move
Of what was given
Now you like the ghost
You thought was haunting
You're the dawn is still in our time
Praying to rain
On my mind hey
And its darkness in the sun heeey
Praying to rain
On my mind
Miiiiind on myyyyyyyyyyyy mind miiiiiiind miiiiiiind ooooooh now ooooooh heeeyey
How do you fight
When it's your mind
When it's your mind hey
Get it to rain on my mind
Get it to rain on my mind
Get it to rain
Shed it away
On my mind

On my mind
