DEAD WORLD

ã‚®ãƒ«ã‚¬ãƒ¡ãƒƒã‚·ãƒ¥

Look down around
All is not well
Victim of change
Far out of range
A in non-A
Be or be not
See what I see
Get what I gotSometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Dead WorldKing of my world
This rule I break
King of my world
I eat my cake
A in non0A
Be or be not
See what I see
Get what I gotSometimes I wish I could see beyond this dead world
Sometimes I wish I could see beyond me
Dead worldSoftly, angry, bitter, killer
Torn flesh, more less, ears curled
Dead World
