

# Have You Ever Really Loved A Woman?

## The Popettes

To really love a woman, to understand her  
    You gotta know her deep inside  
    Hear every thought, see every dream  
    An' give her wings when she wants to fly  
Then when you find yourself lyin' helpless in her arms  
You know you really love a womanWhen you love a woman  
    You tell her, that she's really wanted  
When you love a woman you tell her that she's the one  
    'Cuz she needs somebody  
    To tell her that it's gonna last forever  
    So tell me have you ever really  
    Really, really ever loved a woman?  
YeahTo really love a woman, let her hold you  
    Til' you know how she needs to be touched  
    You've gotta breathe her, really taste her  
    Til' you can feel her in your blood  
An' when you can see your unborn children in her eyes  
You know you really love a womanWhen you love a woman  
    You tell her that she's really wanted  
When you love a woman you tell her that she's the one  
    'Cuz she needs somebody  
    To tell her that you'll always be together  
    So tell me have you ever really  
    Really, really ever loved a woman?Oh  
    You've got to give her some faith, hold her tight  
    A little tenderness, you gotta treat her right  
    She will be there for you, takin' good care of you  
You really gotta love your woman, yaAnd when you find yourself lyin' helpless in her arms  
    You know you really love a womanWhen you love a woman  
    You tell her that she's really wanted  
When you love a woman you tell her that she's the one  
    'Cuz she needs somebody  
    To tell her that it's gonna last forever  
    So tell me have you ever really  
    Really, really ever loved a woman?  
YeahJust tell me have you ever really  
    Really, really, ever loved a woman?  
    Oh  
    Just tell me have you ever really

Really, really, ever loved a woman?
