

After the Dance

Michael McDonald

Ooh dance with me
Come on dance with me, baby
 Dance with me
Come on dance with me, baby
 Dance with me
Come on dance with me, baby
 Dance with me
Come on dance with me, babyI want you and you want me
 So why don't we
Get together after the danceOoh when I first saw you
 Lookin' good on the soul train
 So good
 I cannot get you sharp and right
Dancin' good spinnin' everywhereI thought to myself
 You were so fine
 The ways you move
 So fine
 She's movin' so real, I need her
What you need is meI want you and you want me
 So why don't we
Get together after the danceWhile we danced
 Let's break this baby
 You were so fine
 The way you moved me
 Your eyes
 Told me warm things
 Oh baby, whisper out between you and me
Got to leave you my sweet lovin', babyNobody else's got, nobody's got my love
 Except for a few, if I were you
 I want you to take me with you
What'cha gonna doI want you and you want me
 So why don't we
 Get together after the dance
 DanceDance with me
 Come on dance with me, baby
 Dance with me
 Come on dance with me, baby
 Dance with me
 Come on dance with me, baby

Dance with me
Come on dance with me, babyI want you and you want me
So why don't we
Get together after the danceI want you and you want me
So why don't we
Get together after the danceI want you and you want me
So why don't we
Get together after the dance
