

# Monster

## Meg & Dia

His little whispers, love me, love me  
That's all I ask for, love me, love me  
He battered his tiny fists to feel something  
Wondered what it's like to touch and feel something  
Monster  
How should I feel?  
Creatures lie here  
Looking through the window  
That night he caged her  
Bruised and broke her  
He struggled closer  
Then he stole her  
Violet wrists and then her ankles  
Silent pain  
Then he slowly saw their nightmares  
Were his dreams  
Monster  
How should I feel?  
Creatures lie here  
Looking through the windows  
I will  
Hear their voices  
I'm a glass child  
I am Hannah's regrets  
Monster  
How should I feel?  
Turn the sheets down  
Murder ears with pillow lace  
There's bathtubs  
Full of glow flies  
Bathe in kerosene  
Their words tattooed in his veins, yeah
