

# With Or Without Control

## Sahara Hotnights

You've got a hold on me  
You're messing up the screen  
Thought it was a good idea  
Dealing with the enemyI'm losing track of time  
And leave me here uncoveredBoy, you're really messing up my mindWith or without control  
You've come to shake it all  
Slow down  
You've got me facing the wall  
I keep moving on  
On my ownAnd this is getting weird  
You went straight to my head  
Moving in circles  
Spinning and sparkleBoy, you're really messing up my mindWith or without control  
You've come to shake it all  
Slow down  
You've got me facing the wall  
I keep moving on  
On my ownC'mon, c'mon I'm waiting for the end of the show  
C'mon, c'mon I'm trying hard to keep you on holdWith or without control  
You've come to shake it all  
Slow down  
You've got me facing the wall  
I keep moving onWith or without control  
You've come to shake it all  
Slow down  
You've got me facing the wall  
I keep moving on  
On my ownOn my own
