Lucky To Be Alive

Mark FoggoÂ´s Skasters

Picture Your World Is Caving In
The Moment You Blink Your Eyes.
One Second You're On Top Of The World
The Next Might Be Your Time To Die.Life Slips Through Your Fingers
And Showers Down In Glass
When Death Comes Searching, It's Gonna Find You Fast.CHORUS:
Never Thought This Way Before
So Fucking Lucky To Be Alive
Grim Reaper Knocking On My Door
So Damn Lucky To Be Alive
Never Thought This Way Before
So Fucking Lucky To Be Alive
Grim Reaper Knocking On My Door
So Damn Lucky To Be Alive.One Wrong Move And The Blood Runs Red
See Your Friend Lying In The Hospital Bed
Face Ripped Open With Tubes In His Neck
Life On A Limb Crawling Out Of The Wreck.Life Is Short, Don't Have Much Time Here
You Never Know When The End Is Near
Friends That Matter Got To Keep Them Close
Cause Life Is The Thing That Matters Most
