Immanuel

Kildare (Holiday)

Look inside my mind Immanuel
Help me to find a place for myself
I know this world is cruel
But I am just, just as badAm I losing my mind, oh, Immanuel?
Am I closer this time, oh, Immanuel?
Constant debating
Am I closer this time, oh, Immanuel?You're the same as me, I know this is true
Why do I do the things that I do?
I know this world is cruel
But I am just, just as badAm I losing my mind, oh, Immanuel?
Am I closer this time, oh, Immanuel?
Constant debating
Am I closer this time, oh, Immanuel?No time to make peace for me
I wait for this to find a way
I will try to make a better day
I need your help the only wayAm I losing my mind, oh, Immanuel?
Am I closer this time, oh, Immanuel?
Constant debating
Am I closer this time, oh, Immanuel?Am I going crazy?
Am I losing my mind?
Am I going crazy?
