We Remain

Lloyd Banks

All the ways that you think you know me
All the limits that you figure out, limits that you figure out
How to learn to keep it up or below me
Just to keep from being thrown around, just to keep from being thrown aroundEvery single time the wind blows
Every single time the wind blows
I see it in your face (Ohh)In a cold night
There will be no fair fight
There will be no goodbye
To turn and walk awayTo burn me with fire
To drown me with rain
I'm gonna wake up
Screaming your nameYes I'm a sinner
Yes I'm a saint
Whatever happens here
Whatever happens here
We remainNow we talk about a wasted future
But we take a good look around
Yeah we take a good look aroundYeah we know it hasn't been for nothing
And we'll never let it slow us down
No we'll never let us slow us down
(Oh yeah)Every single time the wind blows
Every single time the wind blows
I see it in your face (Ohh)In a cold night
There will be no fair fight
There will be no goodbye
To turn and walk awayTo burn me with fire
Drown me with rain
I'm gonna wake up
Screaming your nameYes I'm a sinner
Yes I'm a saint
Whatever happens here
Whatever happens here
We remain
