

# Sweet Release

## Tindersticks

It's too long till I see you again  
It's too long to be with you You know these hands  
They don't know what to do  
You know these hands  
They don't know how to It's too long till I see you again  
It's too long to be with you You know these hands  
They don't know what to do  
You know these hands  
They don't know how to How to give me that sweet release  
Give me that sweet release  
Give me that sweet release  
Give me that sweet release There's too much time  
Turning away from you  
There's too much time  
That I can afford now You know these hands  
They don't know what to do  
You know these hands  
They don't know how to How to give me that sweet release  
Give me that sweet release  
Give me that sweet release  
Give me that sweet release It's too late to love you  
It's too late to love you  
Too late to love you  
Too late to love you It's too late to love you  
It's too late to love you  
It's too late to love you  
It's too late to love you There's too much time  
There's too much time  
There's too much time  
There's too much time Give me that sweet release  
Give me that sweet release  
Give me that sweet release  
Give me that sweet release It's too long till I see you again  
It's too long to be with you You know these hands  
They don't know what to do  
You know these hands  
They don't know how to How to give me that sweet release  
Give me that sweet release  
Give me that sweet release

Give me that sweet release You make it so easy to beg  
Then I'll beg you  
You make it so easy to beg  
Then I'll beg you There's too much time  
There's too much time Give me that sweet release  
Give me that sweet release  
Give me that sweet release  
Give me that sweet release
