I'm In Love With My Life

PHASES

I'm in love with my life
I'm in love with my life
Alright
Come and lose yourself a little while
Take a chance and let your body move
Feeling good and probably never stop
Alright, alright
I'm in love with my, I'm in love with my life
Alright
And you know it
Let me show it
I'm in love with my life
And you know it
I'm in love with my life
Alright
I'm in love with my life
Come and lose yourself a little while
Take a chance and let your body move
Feeling good and probably never stop
Alright, alright
I'm in love with my, I'm in love with my life
Alright
Alright
I'm in love with my life
Come and lose yourself a little while
Take a chance and let your body move
Feeling good and probably never stop
Alright, alright
I'm in love with my, I'm in love with my life
We don't need a rhyme or a reason
It's a lovely chemistry
We don't need a rhyme or a reason
It's a lovely chemistry
We don't need a rhyme or a reason
It's a lovely chemistry
We don't need a rhyme or a reason
It's a lovely chemistry
I'm in love with my life
