

# immature

ãf-ãf<sup>1/4</sup>ã,¿ã,<sup>1</sup>ãf«ãf<sup>1/4</sup>ãf^ã,<sup>a</sup>ãf<sup>1/4</sup>ã,±ã,<sup>1</sup>ãf^ãf©

How could I be so immature ?  
To think he could replace  
The missing elements in me  
How extremely lazy of me  
How could I be so immature ?

To think he could replace  
The missing elements in me  
How extremely lazy of me  
How could I be so immature ?  
How could I be so immature ?
