

Set Your Loving Free

[Lisa Stansfield](#)

Baby don't go
When you've nearly shown everythin' you are to me
Darling don't stray just stay here with me
'Cause that's how it ought to be You've come this far to see who you are
See the love inside yourself
So don't be afraid I'm holdin' your hand
Just let the love run freely through me You're so tangled up in love
Searchin' for you soul, searchin' for yourself
So tangled up in love
That you can't see anythin' else My oh my
Do I have to tell you how to live your life
Ooh baby don't you know now that you're mine
You've got so set your lovin' free Um me my oh my
Do I have to tell you how to live your life
Ooh baby don't you know now that you're mine
You've got so set your lovin' free Tell me you see all we can be
That we can be magical
Throw off your pride and show me inside
Show me what you're frightened of 'Cause you're so tangled up in love
Searchin' for you soul, searchin' for yourself
So tangled up in love
That you can't see anythin' else My oh my
Do I have to tell you how to live you life
Ooh baby don't you know now that you're mine
You've got to set your lovin' free, free So tangled up in love
Searchin' for you soul, searchin' for yourself
So tangled up in love
That you can't see anythin' else My oh my
Do I have to tell you how to live your life
Don't I, ooh baby don't you know now that you're mine
You've got to set your lovin' free, free My oh my
Do I have to tell you baby
(Live your life)
Free, now that you're mine
(You've got to set your lovin' free)
Free My oh my
(My oh my)
Baby, live your life
(Live you life)

Free baby
Now that you're mine
(You've got to set your lovin' free)
All I wanted to be there my babyMy oh my
Baby, baby
(My oh my)
Live your life
(Live your life)
Now that you're mine
(You've got to set your loving free)My oh my
Live your life
If, don't you know
Now that you're mine
You got to set your lovin' free
