

Blackbird

Marcy Playground

Blackbird came to me
She sang her melody
Yeah, she sang
I promise you I won't fly away

Blackbird tell no lies
Blackbird, you caught my eye
But the Raine has taught me that you will fly away
Just as soon as the skies turn gray

Thank you, Raine
Thank you, Raine
Wash away all my pain
Every time I call your name

Blackbird in my pie
Beautiful clouds
Beautiful skies today
You'll chase them until your dying day

Thank you, Raine
Thank you, Raine
Wash away all my shame
Every time I call your name

When I'm sad you soothe my soul
You give love like it's easy, yeah
Come this springtime all your seeds they grow
When Blackbirds come and go

Blackbird, tell no lies
Blackbird, tell no lies
Blackbird, tell no lies
Blackbird, tell no lies
Thank you Raine for clearing my eyes
