Outcast

Caroline Dare

I feel lost, scared
I'm just trying to find my place
I try to reach out but
Everyone walks away
I'm full of fear and I wanna leave
I don't fit in
Everyone ignores me
I feel alone, this doesn't feel like home
Why am I here?I'm afraid
This ain't okay
This place has every heart cold
They treat me wrong
Like I don't belong
Now I've got no one to hold
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit it
Why won't anyone let me in?I feel tense, insane
I'm losing my happiness
I'm an outcast
I'm supposed to go through this
I'm having trouble looking
For an empty seat
Cause everyone saved them
And none were meant for me
I walk down these hallways
Feeling like I'm nobody
NobodyI'm afraid
This ain't okay
This place has every heart cold
They treat me wrong
Like I don't belong
Now I've got no one to hold
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit it
Why won't anyone let me in?All I want is to be known
So I won't have to ever feel alone
You just shut me out

And I don't know why
What can I do to make it alright?What can I do to be let in?
I just want you to let me in
I'm an outcast, I wanna fit in
I'm a lonely girl looking for a friendI'm afraid
This ain't okay
This place has every heart cold
They treat me wrong
Like I don't belong
Now I've got no one to hold
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit in
I'm an outcast who's trying to fit it
Why won't anyone let me in?I'm an outcast, I wanna fit in
I'm an outcast, I won't fit in
I'm not supposed to fit in
No one will ever let me in...
