We'll Meet Again

The Turtles

lets say goodbye with a smile dear, just for a while dear we must part, dont let our parting upset you, i'll no forget you sweetheart

we'll meet again don't know where don't know when, but i know we'll meet again some sunny day keep smiling through just as you alway do, till the blue skies drive the dark clouds far away, so will you please say hello to the folks thta i know tell themi wont be long, they'll be happy to know that as you saw me go i was singingtis song we'll meet again don't no where don't no when but i know we'll meet again some sunny day, after the rain comes a rainbow you'll see the rain go never fear we too must wait for tomorrow goodbye to sorrow my dear we'll meet again don't know where don't no when but i know we'll meet again some sunny day keep smiling thrugh just as you always do till the blue skies drive the dark clouds far away so will you please say hello too the folks that i no tell them i won't be long they'll be happy to know that as you saw me go i was singing this song we'll meet again don't no when dont know where but i know we'll meet again some sunny day
