

Scooby Doo, Where Are You?

[Mxpx](#)

Scooby Dooby Doo, where are you?
We got some things to do now
Scooby Dooby Doo, where are you?
We need some help from you now
Come on Scooby Doo, I see you
Pretending you got a slipper
But you're not fooling me
'Cause I can see, the way you shake and shiver
You know we got a mystery to solve
So Scooby Doo be ready for your act, don't hold back
And Scooby Doo if you come through
You're going to have yourself a Scooby Snack, that's a fact
Go
Scooby Dooby Doo, here are you
You're ready and you're willing, if we can count on you
Scooby Doo, I know you'll catch that villain
I know you'll catch that villain, yeah
