

We are the city boys

Vanilla Muffins

There's a tram stop in front of my house.

A british pub just around the corner.

And line 36 takes me

to the soccer stadium.

The traffic is my alarm,

The streets are clean and the sun is shining.

I don't need to hurry up

Basel awakes always after 9'o clock.HORRAY, WE ARE THE CITY BOYS Some guys wanna have their
peace, but that's nothing to me.

When we're in a bad mood, we go and watch striptease.Plastic rose on my balcony
files show me the way to the front door.

The smog of the city

protects me from the sun.

When in winter the snow falls

we ice-skate down the park.

And if I break my neck and all my bones

it's not a problem, cause the doctor's not far.

HORRAY, WE ARE THE CITY BOYS
