George Jones

LET'S INVITE THEM OVER

WITH MELBA MONTGOMERY I know why you're lonely and I know why you're blue

You're lonesome to see him and you long to see her too

We're not in love with each other we're in love with our best friends

So let's invite them over again

We talk it over and over and we know it's not right

We should stay away forever but we're lonesome each night

Yes we stay away for awhile but we know in the end

We'll invite them over again

We talk it over and over...
