

Painkiller (feat. Pendulum, Sir Real)

Freestylers

Ah-uh, ah-uh
Yeah, yeah, yeah
Lets it go
Ah-uh, ah-uh
C'mon, ah-uh, ah-uh
Lets it go Painkiller, oh, uh, uh
Ah-uh, ah-uh
Ah-uh, ah-uh Yeah, lets it go
Ah-uh, ah-uh
Painkiller, killer, killer, killer, killer, killer I'm reaching in my cupboard for a painkiller
Ah-uh, ah-uh, for a painkiller, killer, killer You see, we work hard, play hard
Man, I gotta stay charged
Can't sleep, tired out
Trouble on my radar
Runnin' 'round live wire Had another Red Bull
Everybody's burnin', baby
Let me come and get a pull
Isn't it incredible
That I'm even still awake?
Still alive, still I take
Poison that debilitates Fuck a little line
We can go ahead and kill a K
Livin' in the killer's state
Maybe that's a good excuse See me taking shots at the bar
Like I'm bulletproof
Now my belly full of juice
I'm walking every day with a
Bruised lip, battered eye
Beat up stained liver Ah-uh, ah-uh
I'm reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller They call it painkiller, lets it go painkiller
Uh, uh, uh, I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
They call it painkiller, lets it go You thought you could take it out
But the world collapse
And you can't see out of it now

You go crazy, baby
Now we live fast, die young
Wish I never tried none
Saturated chemical
But I don't wanna die mum
Maybe you could try some
No point wasting it
First it was a little bit
But now I got my face in it
Run around chasin' it
Everything is so hot
Everybody's screw faced
Looking like so raw
Pressure and it won't stop
Pushing up my heart rate
Arguments and attitude
Mate, you don't wanna start me
Listen man, I can't wait
Now I got a closed fist
Woke up shivering and
Swimming in my own piss
It's just my own risk
A real brain splitta
Ah-uh, ah-uh
I'm reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
They call it painkiller, lets it go painkiller
Uh, uh, uh, I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
They call it painkiller, lets it go
c'mon, c'mon
Painkiller
C'mon, c'mon
You thought you could take it out
But the world collapse
And you can't see out of it now
You go crazy, baby
Ah-uh, ah-uh painkiller
Uh, uh, uh, uh, I need another painkiller
Uh, ah-uh, ah-uh, c'mon
Ah-uh, ah-uh, lets it go, painkiller
You thought you could take it out
But the world collapse
And you can't see out of it now
You go crazy, baby
Ah-uh, ah-uh
I'm reaching in my cupboard for a painkiller
Uh, uh, uh, uh, I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, uh, I need another painkiller
They call it painkiller, lets it go
Painkiller, uh, uh, uh
I need another painkiller
Uh, reaching in my cupboard for a painkiller

Uh, uh, uh, I need another painkiller
They call it painkiller, lets it goPainkiller, uh, uh, uh
I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
They call it painkiller, lets it goPainkiller, uh, uh, uh
I need another painkiller
Uh, reaching in my cupboard for a painkiller
Uh, uh, uh, I need another painkiller
They call it painkiller, lets it goC'mon
Painkiller
C'mon
Painkiller, killer, killer, killer
