

All Arise

Michael W. Smith

There is only one
Whose majesty is unending
There is only one
The King of Kings, never failingAll, all arise
At the name
Of our Savior
Who is worthy
You are worthyThere is only one
He's lifted high for the world to see
There is only one
One love alone overwhelms the grave
Yes, Your love alone overwhelms the graveAll, all arise
At the name
Of our Savior
Who is worthy
You are worthyAll praise is Yours
Yours alone
The almighty
Who is worthy
You are worthyThere is power, there is power
At the sound of Your name, JesusThere is power, there is power
At the sound of Your name, JesusThere is power, there is power
At the sound of Your name, JesusThere is power, there is power
At the sound of Your name, JesusAt the sound of Your nameAll, all arise
At the name
Of our Savior
Who is worthy
You are worthyAll praise is Yours
Yours alone
The almighty
Who is worthy
You are worthy
