

# Fire On The Water

[Chris de Burgh](#)

When I touch you I can feel you shivering  
I can feel your heart is beating fast  
We are alone in this crowded room Oh, tonight there is something happening  
And it's something that should never be  
But there's a flame over you and me And I can see the fire on the water  
I can see the light shining in your eyes  
I know that I can't stop it now  
'Cause I've been caught in the heat of the sun There's a place in an ancient fortress  
High above the worries of the world  
I'd love you there for a long, long time And we'll discover all our deepest secrets  
And let the spirit go flying free  
Until the dawn breaks over the sea It's burning like fire on the water  
I can see the light shining in your eyes  
I know that I can't stop it now  
'Cause I've been caught in the heat of the sun  
Yes, I've been caught in the heat of the sun  
Oh, let it shine on me And I can see the fire on the water  
I can see the light shining in your eyes  
I know that I can't stop it now  
'Cause I've been caught in the heat of the sun  
Yes, I've been caught in the heat of the sun  
Oh, let it shine on me And I can see the fire on the water  
Can't stop it now And I can see the fire on the water
