Really Don't Know

Van Morrison

Really dont know, really dont know
Just whats wrong
Feel like I dont belong
And I just cant get together
Today, anywayKeep on raining, more and more
Everyday, yeah, in a wider sense
Yeah, in a wider sense
Keep on raining
Keep on raining, everydayLook to the sky
But the sky may fall
See through my eye
But my eye dont see at all
Keep on rainingLook to the sky
But the sky may fall
See through my eye
But my eye dont see at all
