

# My Plague

## Slipknot

I'm in conniptions for the final act you came here for  
The one derivative you manage is the one I abhor  
I need a minute to elaborate for everyone the  
Everyday bullshit things that you have done Your impossible ego fuck is like a  
Megalomaniacal tab on my tongue  
You fuckin' touch me I will rip you apart  
I'll reach in and take a bite out of that  
Shit you call a heart  
Ya ya ya I don't mind being ogled, ridiculed  
Made to feel minuscule  
If you consider the source, it's kinda pitiful  
The only thing you really know about me is  
That's all you'll ever know I know why you plague me  
I know why you blame yourself  
I know why you plague me  
I know why you blame yourself I'm turning it around like a knife in the shell  
I want to understand why, but I'm hurting myself  
I haven't seen a lotta reasons to stop it  
I can't just drop it  
I'm just a bastard, but at least I admit it  
At least I admit it I know why you plague me  
I know why you blame yourself  
I know why you plague me  
I know why you blame yourself Kill you, fuck you, I will never be you  
Kill you, fuck you, I will never be you  
I can't fuckin' take it anymore  
A snap of the synapse  
And now it's fuckin' war  
Kill you, fuck you, I will never be you I know why you plague me  
I know why you blame yourself  
I know why you plague me  
I know why you blame yourself I know why you plague me  
I know why you blame yourself  
I know why you plague me  
I know why you blame yourself
