

Soon You'll Be Somebody Else

Moddi

if you keep changing yourself
than soon youll be somebody else
and the end of the string, would be our rose
and our rose it is a dying thing
well all i can promise is to stay like this always
and by all other names just as sweet
i wish all you would wish
was a house with a yard, full of flying fish
and the bell that id ring would be our roses
our rose it could be anything
well all i can promise is to stay like this always
and by all other names just as sweet
i will crack you open
just to keep you closer
cause without you
our rose is just a rose
and i will swallow the vomit
just to keep you coming
cause without you im so
halalao.
