

# Lie To Me

[Jonny Lang](#)

Lie to me  
and tell me everything is all right  
Lie to me  
and tell me that you'll stay here tonight Tell me that you'll never leave,  
And I'll just try to make believe  
That everything you tell me is true Lie to me, go ahead and lie to me  
Lie to me, go ahead and lie to me Lie to me  
it doesn't matter anymore  
It could never be the way it was before  
If I can't hold on to you  
Leave me with something I can hold onto,  
For just a little while won't you let me be Anyone can see  
That you love him more than me  
But right now, baby, let me pretend  
That our love will never end Lie to me, go ahead and lie to me  
Lie to me, go ahead and lie to me  
Lie to me, go ahead and lie to me  
Lie to me, go ahead and lie to me
