

# Feel You

## Madeline Juno

When you call I'll be there by your side  
I won't sleep I won't rest I will fight All the tears that you cried  
I will make them rise high  
High in the sky (in the sky) So I drive and I drive through the night  
I wanna feel you I.. I.. I..  
I wanna feel you I.. I..  
Tonight, I.. I wanna fight the time between you and I  
Stop the sunrise coming back  
And killing the night, cause tonight I.. I.. I wanna feel my hand on your skin, on your face  
Til' the moon shines with it's cold embrace  
I wanna live forever love you forever  
Love you like this, like this So I drive and I drive through the night  
Through the night, cause tonight  
I wanna feel you I.. I.. I..  
I wanna feel you I.. I..  
Tonight, I.. I wanna fight the time between you and I  
Stop the sunrise coming back  
And killing the night, cause tonight I.. I.. Don't wanna let you go, oh no no  
Don't wanna let you go, don't you know  
Don't wanna let you go, oh no no  
Don't wanna let you go, don't you know When you call I'll be there by your side  
I won't sleep I won't rest I will fight  
I wanna feel you I.. I..  
I wanna feel you I.. I.. I.. Don't wanna let you go, oh no no  
Don't wanna let you go, don't you know  
Don't wanna let you go, oh no no  
Don't wanna let you go, oh no  
I wanna feel you  
I wanna feel you  
I wanna feel you
