

# Heartache on the Dance Floor

[Jon Pardi](#)

Yeah, I was just hanging out  
Some little west coast town  
Found a bar out by the sand, so I made my way in  
First thing that caught my eye, like nothing I'd ever seen  
Sunburned auburn air the California dream  
Yeah, she was shaking them hips  
To some old Motown song  
I couldn't say anything so I sang along She was a heartache on the dance floor (heartache on the dance floor)  
Yeah, she's moving through my mind (moving through my mind)  
I gotta know her name and I gotta see her again  
She's got me wondering, yeah I'm just wondering  
Where she at, where she at, where she at tonight?  
Where she at, where she at, where she at tonight, oh yeah? So I just hung around this little west coast town  
I dropped by every night, I stayed till closing time  
My little mystery, that girl is killing me  
So I put on a song just to sing along She was a heartache on the dance floor (heartache on the dance floor)  
Yeah, she's moving through my mind (moving through my mind)  
I gotta know her name and I gotta see her again  
She's got me wondering, yeah I'm just wondering  
Where she at, where she at, where she at tonight?  
Where she at, where she at, where she at tonight?  
She's got me mesmerized, she's all I'm thinking about  
All I think about, think about, think about So I'm right here right now  
Humming this little song  
If I could say a thing  
I'd want you to know You were a heartache on the dance floor (heartache on the dance floor)  
Yeah, you're moving through my mind (moving through my mind)  
Oh, I gotta know your name and I gotta see you again  
And if you're listening, listening, listening  
Where you at, where you at, where you at tonight?  
Where you at, where you at, where you at tonight?  
Girl, I'm hanging around this little town  
Where you at, where you at, where you at tonight?  
Where you at, where you at, where you at tonight, oh?
