

# Funny Girl

## BBC Concert Orchestra

Funny, did you hear that? Funny!

Yeah, the guy said

"Honey, you're a funny girl"

That's me

I just keep them in stitches

Doubled in half

Though I may be all wrong for the guy

I'm good for a laugh

I guess it's not funny

'Cause life is far from sunny

When the laugh is over

And the joke's on you

A girl ought to have a sense of humor

That's one thing she really needs for sure

When you're a funny girl

The fellow said "A funny girl"

Funny, how it ain't so funny

Funny girl

Funny

Did you hear that?

The guy said I was funny

We'll wait 'till the laugh's over

And the joke's on you

That's me

I just keep them in stitches

Doubled in half

And though I may be all wrong for the guy

I'm good for a laugh

I may be all wrong for the guy

I'm good for a laugh

I guess it's not funny

'Cause life is far from sunny

When the laugh is over  
And the joke's on you

A girl ought to have a sense of humor  
That's one thing she really need for sure  
When you're a funny girl  
The fellow said "A funny girl"

Funny, how it ain't so funny  
Funny girl
