Come Clean

Keri Hilson

[Chorus:]
Now, emotions I try to hide.
Don't know what, when, or even why,
But you're not the one.
Gotta come clean tonight.
No matter how hard I try.
I just can't bring this back to life.
It's over and done.
So, I gotta come clean tonight.
[Verse 1:]
The end has come around for us,
I gotta go.
Something is wrong, but how do I let you know?
I hate the thought of hurting you.
I'm so confused.
Your lover, your friend....
I hate that I have to choose
To stay or go, I know
We're through
But I can't bring myself to hurting you.
[Chorus:]
Now, emotions I try to hide.
Don't know what, when, or even why,
But you're not the one.
Gotta come clean tonight.
No matter how hard I try.
I just can't bring this back to life.
It's over and done.
So, I gotta come clean tonight.
[Verse 2:]You know I never thought it'd come, down to this.
(Look I know it's hard to understand, but it's even harder to explain.)
This something that I'm going through
I want you to know, that it's...

It's nothing that you've done to make me go.
You say you want me to stay,
and baby I know. (I know)
Just don't say you love me. (No)
It's hard enough for me to go.

Don't wanna make the big mistake of hanging on
Please don't say you love me. (Don't)
It's hard enough to close the door.
(Now....)
[Chorus:]
Now, emotions I try to hide.
Don't know what, when, or even why,
But you're not the one.
Gotta come clean tonight.
No matter how hard I try.
I just can't bring this back to life.
It's over and done.
So, I gotta come clean tonight.
da, da, da, da...
Now, emotions I try to hide. (Emotions...)
Don't know what, when, or even why, (Yea, baby. Oh, Baby)
But you're not the one. (No)
Gotta come clean tonight.
No matter how hard I try. (No matter baby)
I just can't bring this back to life. (I try, Oh)
It's over and done. (It's Over..)
So, I gotta come clean tonight. (yea)
I'm sorry baby, but I love you.
Yes, I do...
