Lose Control

Waldo's People

I don't wanna lose control but I'm falling, falling down

I got this panic emotion that I can not describe to you
My world is tumbling down what am I what am I gonna do
Ca-can't deny it deny it what am I going through
Ca-can not fight it can't fight it now I'm looking for the truth

I don't wanna live a lie
Checking on my sanity
Cos maybe baby I can do without
Is it all a fantasy
I don?t wanna live a lie
Is this my reality
It's spinning round n' round day and night

I don't wanna lose control but I'm falling
I just cant believe it
Never thought that I would be the one falling down
I don't wanna lose control but I'm falling
I just can't believe it
Never thought that I would be the one falling down

I'm on a critical mission got my destiny in my hands
Like Peter Piper I take control put a spell on the mass
I cause hysteria worry yourself that's how I roll
It's not a drill I'm for real I'm a man who's out of control

I don't wanna live a lie (checking on my sanity)
Cos maybe baby I can do without (is it all a fantasy?)
I don't wanna live a lie (is this my reality)
It's spinning round n' round day and night

I don't wanna lose control but I'm falling
I just cant believe it
Never thought that I would be the one falling down
I don't wanna lose control but I'm falling
I just can't believe it
Never thought that I would be the one falling down

I'm falling I'm falling

I just can't believe it
I'm falling I'm falling down

I don't wanna lose control but I'm falling
I just cant believe it
Never thought that I would be the one falling down
I don't wanna lose control but I'm falling
I just can't believe it
Never thought that I would be the one falling down
