

In This River

Black Label Society

I've been around this world, yet I see no end.
All shall fade to black again and again.
This storm that's broken me, my only friend.
Yeah

In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back

Withdrawn a step away, just to find my self
The door is closed again, the only one left
This storm that's broken me my only friend
Yeah

In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black

In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back

In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
In this river all shall fade to black
In this river ain't no coming back
In this river all shall fade to black
Ain't no coming back
