Thick As Thieves

The Temper Trap

we know where you are
we are never far
want you to feel safe and sound
safe and soundfrom the moment you wake up (we know)
when you start in style (we know)
just want you to feel safe and sound
safe and soundstrike a light and throw it
making noise and shout it
making noise and shout it (shout it, shout it, shout it)
who can you believe
brothers thick as thieves
they're all thick as thievesno ones asking how
oh why
busy getting high
on life
we just want us to feel safe and sound
safe and soundstrike a light and throw it
making noise and shout it
making noise and shout it (shout it, shout it, shout it)
who can you believe
brothers thick as thieves
they're all thick as thievesmaking noise and shout it (shout it, shout it, shout it)
who do you believe
brothers thick as thieves
they're all thick as thieves
