

April

Architecture In Helsinki

doing remembering
you in a different place, now
I used to tell the truth
of how the memories gonna get me down
see, you are my friends and family
you are my setting sun
I Â¿twill? eternal but i gotta give you up until the fall
my April, again.
so when your'e coming back
ooh ooh yeaaahh
I have coming back
ooh ooh yeaaahhI remember you
you are like a private beach, now
we talk apocalypse
we try to think of ways to slow this down, girl
still come the way you see the world
its incredible
April I just want you to know
I need you, yeaaahh
(are you coming back, coming back)
ooh ooh yeaaahh
(are you coming back, coming back)
you are my April.
ooh ooh yeaaahh
(are you coming back, coming back)
you are my April.
ooh ooh yeaaahh
are you coming back, coming back x2
you are my April
ooh ooh yeaaahh
are you coming back, coming back x2
you are my April
