

My Consolation

Silverstein

You left me
Now you come back to me saying it's changed
And we're not the same people we once were
And you beg to be back with me
I can't see anything but you Every night, I see you there
Everyday, I hate you and everything we once were
You keep saying it's changed and we're not the same
And you beg to be back with me
Now I can't see anything I won't forget everything that you put us through
Every night, I see you there
Everyday, I hate you
Crying can't carry you back to me
