

Shake It Baby

Too \$hort

Shake it, baby
Shake it, babyDo that sexy dance, girl
Move them pants around the world
Do it like that, girl
C'mon, shake it like a black girlYeah, like that, that's it, that's it
Shake it like a black girl
Hey, get it, girl
Now she got it, will she stop?
Let me see that p*** popShake it like a black girl
C'mon, Amy, shake it like a black girl
That's it, Maria, you can do it, Maylene
Shake it, babyShow 'em how you do it, Amy
You know gotta do 'em, baby
Just do it all night, girl
C'mon, shake it like a white girlYou make me wanna pop that ***
Got me makin' rock 'n' roll
Jiggle that ***
You can't do it, wiggle it fastShake it like a white girl
C'mon, Renika, shake it like a white girl
Look at Maylene
You can do it, Maria, shake it, babySee them sexy Spanish girls
Dancin' all around the world
Do it like Shakira, make it happen, girl
C'mon, shake it like a Latin girlYou know I can't take it, baby
The way you shake it, baby
C'mon, Maylene, get it crackin', girl
C'mon, Renika, shake it like a Latin girlGo, Amy, shake it like a Latin girl
Do it, shake it like a Asian girl
Shake it like a native girl
C'mon, shake it like a black girlShake it like a white girl
Shake it like a Latin girl
Shake it, baby, just shake it, baby
Shake it, baby, shake it like a woman
