

# When I Lay My Burdens Down

[Larry Sparks](#)

REFRAIN:

Glory glory, hallelujah  
Since I lay my burden down  
Glory glory, hallelujah  
Since I lay my burden down

Ain't gonna have no pain or sorrow  
When I lay my burden down  
Ain't gonna have no pain or sorrow  
When I lay my burden down

I'm gonna see my Lord and Savior  
When I lay my burden down  
I'm gonna see my Lord and Savior  
When I lay my burden down

All my sickness will be over  
When I lay my burden down  
All my sickness will be over  
When I lay my burden down

All my troubles will be over  
When I lay my burden down  
All my troubles will be over  
When I lay my burden down

Lord, I'm feeling so much better  
Since I lay my burden down  
Lord, I'm feeling so much better  
Since I lay my burden down

Sometimes I feel, I feel like shouting  
Since I lay my burden down  
Sometimes I feel, I feel like shouting  
Since I lay my burden down.

I decided to follow Jesus  
When I laid my burden down  
Yes I decided to follow Jesus

When I laid my burden down

I am climbing so much higher

Since I laid my burden down

Yes I'm climbing so much higher

Since I laid my burden down

I will see all my loved ones

When I lay my burden down

I will see all my loved ones

When I lay my burden down

I'm gonna shout and sang forever

When I lay my burden down

I'm gonna shout and sang forever

When I lay my burden down
