Why Don't You Love Me

Hot Chelle Rae

See I cant wake up, I'm living a nightmare
that keeps playing over again
locked in a room, so hung up on you
and you're cool with just being friendsLeft on the sidelines, stuck at a red light
waiting for my time, and I can't seeWhy don't you love me, touch me
Tell me I'm your everything
the air you breathe, and
Why don't you love me, baby
open up your heart tonight
cause I could be all that you need
(Ohhh)
Why don't you love me?
Why don't you love me?See I'm just too scared, to tell you the truth
cause my heart it can't take any more
broken and bruised, longing for you
and I don't know what I'm waiting for youLeft on the sidelines, stuck at a red light
waiting for my time, so just tell meWhy don't you love me, touch me
Tell me I'm your everything
the air you breathe, and
Why don't you love me, baby
open up your heart tonight
cause I could be all that you need
(Ohhh)
Why don't you give me a reason (give me a reason)
please tell me the truth (please tell me the truth)
you know that I'll keep believing (I'll keep believing)
until I'm with youWhy don't you love me, kiss me
I can feel your heart tonight
it's killing me
So why don't you love me, touch me
Tell me I'm your everything
the air you breathe, and
Why don't you love me, baby
open up your heart tonight
cause I could be all that you need
(Ohhh)
Why don't you love me?
Why don't you love me?
Why don't you love me?

Why don't you love me?
Why don't you love me?
