

# Out On A Limb

Teena Marie

Tender was the kiss when you held me captive in your sweet embrace  
My lips begin to burn and my heart beats faster than the normal pace  
I try to resist that familiar smile, it melts me just like wax  
But what's the use, I'm yours and that means forever, there's no turning back  
Baby, baby, baby, it's a mystery, ooh you got me spinning around  
What have you done to me?  
Suspended animation, I'm lost inside of you  
I feel so insecure and yet I've never been so sure, what am I gonna do? I'm out on a limb, I'm giving in to you  
again  
Baby, baby, I'm out on a limb, I'm giving in to you again Sweeter than the taste of a midnight rendezvous, so  
sensual  
The look upon your face when you love me tender and my cup was full  
Softer than the sigh when it all was over and I slumbered deep  
Lost inside your love like there's no tomorrow as I fall back to sleep Baby, baby, it's a mystery, ooh you got me  
spinning around  
What have you done to me?  
Suspended animation, I'm lost inside of you  
I feel so insecure and yet I've never felt so sure  
What am I gonna do? Hold me, keep me warm inside you and love me  
Love me right away  
This one thing is true, I would die for you Baby, I'm out on a limb, I'm giving in to you again  
Baby, baby I'm out on a limb, I'm giving in to you again
