Will Your Lawyer Talk to God (Re-Recorded)

Kitty Wells

Your lawyer called today, and said he had the papers all prepared.
And to sign my name was all I had to do.
He seen the Judge now he seen me,there's only one thing left
Will your lawyer talk to God for you?
Will your lawyer talk to god and plead your case upon high
And defend the way you broke my heart in two
Man made laws to set you free on earth but is God satisfied
Will your lawyer talk to God for youMusic is played
We all face the final judgment, and it's very strict they say
When your time comes, I wonder what you'll do
Will you bow your head in shame? or turn your head away
Will your lawyer talk to God for you
