Let It Snow

Matt Belsante

Oh, the weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snowIt doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snowWhen we finally kiss goodnight
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warmFire is slowly dying and, my dear
We're still goodbying
As long as you love me so
Let it snow, let it snow, let it snowHe doesn't care if it's in below
He's sitting by the fires glossy glow
He don't care about the coldAnd the winds that blow
He just says, let it snow
Let it snow, let it snow, let it snowOoh, wee, goes the storm
Why should he worry
When he's nice and warm?His girl by his side
And the lights turned low
He just says, let it snow
Let it snow, I don't careOh, the weather outside is frightful
But that fire is, mmm, delightful
Since we've no place to go
Let it snow, let it snow, let it snowIt doesn't show signs of stopping
And I've brought lots of corn for popping
The lights are turned way down low
So, let it snow, let it snow, let it snow
Let it snowWhen we finally say good night
How I'll hate going out in the storm
But if you'll only hold me tight
All the way home I'll be warmFire is slowly dying and, my dear
We're still goodbying
Long as you love me so
Let it snow, let it snow, let it snow
