

Ugly

Smashing Pumpkins

I don't look in the mirror
I don't like what I see staring back at me
Everything is clearer
I'll never see what you seeIt's not me
So beautiful and free
I'll never be what you needCan't help at all
I was born so beautiful
But now I'm uglyAnd I rot in my skin
As a piece of me dies everyday
I know I'm nothing
I know there's nothing I can sayTo change
The judgment in their ways
I'll never be what you needCan't help at all
My love was so beautiful
But now I'm ugly, yeahI'm good enough but I don't care
I'm good enough but I'm not there
I'm good enough but I don't care
The sun is out, but I'm not thereI'm good enough but I don't care
The sun is out, but I'm not there
I'm good enough
I'm good enoughI don't look in the mirror
I don't like what I see staring back at me
Everything is clearer
I'll never see what you seeAnd I rot in my skin
As a piece of me dies everyday
I know I'm nothing
Because I'm ugly
