Hangover, hangover, hangover, hangover-over-over (Bend over)
Hangover, hangover, hangover, hangover-over-over (Bend over)
Party's over, it ain't over
Try to make a bad memory over and over
Hangover, hangover, hangover, hangover-over-over (Bend over)
Hangover, hangover, hangover, hangover-over-over (Bend over)
Party's over, it ain't over
Can not find a single piece of me, game overHangover
HangoverHangover, hangover, hangover, hangover-over-over
Hangover, hangover, hangover, hangover-over-over (Bend over)
Hangover, hangover, hangover, hangover-over-over
Can not find a single piece of me, game overDrink 'till you're drunk
Smoke like a broke stove
Don't quit, take flight
I can't remember last night
It's aight, this the life of a superstar
Sci-fi with that boy trooping hard, coupling cars
Snoop be hard in the paint
Drink another cup until I fall flat
All lead and then some
1-5-1, done dilly
Really for sure that
I'm throw back intoxicated
Change over, game over, hangover, fadedBody, shit, miss
