

Give Me Heart

Susie Suh

The water is rushing in
I feel it on my skin
Our boat is sinking now
I wake up
I grab my things
As the waves keep
Rollin' in
I ask myself
"Oh what's the point?"
"What's the point of it all?"
"What's the point?" Give me heart
Just give me hope
Give me love
Just give me warmth
Give me all I never knew
Give me something
To hold on to Time goes by so slow
When you're waiting
For a rescue boat
The water's getting cold And the ocean
Is not a home
When you feeling
All alone
Well it's time to let you go
Let you go
Let you go All I ever really wanted was to
All I ever really wanted was to
All I ever really wanted was to
Dream Give me heart
Just give me hope
Give me love
Just give me warmth
Give me all I never knew
Give me something
To hold on to Give me heart
Just give me hope
Give me love
Just give me warmth
Give me all I never knew

Give me something
To hold on to Give me heart
Just give me hope
Give me love
Just give me warmth
Give me all I never knew
Give me something
To hold on to
