Lost And Found

Katie Herzig

I know you left me standing there
Out of the calm of the coldest air.
I don't believe the words you said
But I can't find the words I want.
Oh, I can't find the words I wantIf you were gone in another life
I don't believe I would just survive.
I could feel you next to me
And escape from the world I'm in.
Oh, I'm afraid of the world I'm in.One day I will see Heaven's reach.
I'll find the one who left me sleeping.
Every war was another seed
That could feed every soul in need.
Oh, I'm worn by the war in me.Somebody found me here.
Somebody held my breath.
Somebody saved me from the world you left.
If you're gonna cry my tears,
If you're gonna hold my breath,
If you're gonna let me see the sun you set,
Oh, I am lost and found.
Oh, I am lost and found.Somebody found me here.
Somebody held my breath.
Somebody saved me from the world you left.
If you're gonna cry my tears,
If you're gonna hold my breath,
If you're gonna let me see the sun you set,
Oh, I am lost and found.
Oh, I am lost and found.Oh, I am lost and found.
Oh, I am lost and found.
