Scream And Shout

Exit

another feeling i can't fight i'm just trying to get the hell out of here
tomorrow's just another night the engine's broke and i've run out of steam
anotehr night when the silence clings on you i walk alone put a quarter on the track
tonight were gonna break on through tell me how to get out of this placescream shout come on baby and let it outabandoned stores and broken homes throwin rocks at broken windows
where i'll end up i'll never know feeling stuck feeling dead inside of me
and if i do will it be the same tryin hard to get the hell out of here
another town without a name tell me how to get out of this placelet it out
